

# Caring for your Veri Shades

To care for your Veri Shades you need to treat them to a regular clean in order for them to remain as new.

To keep them this way we suggest:

Lightly spray the track with Silicone spray once a year. Be careful not to get any spray on the fabric

Care Label (4) Polyester Fabric:

1. Remove Veri Shades from track.
2. Gently dust regularly. Warm hand wash.
3. Do not bleach. Do not rub or wring.
4. Drip dry in shade.
5. For best results, re-hang with clips immediately.
6. Use warm steam iron.
7. Do not dry clean.
